

**Sensor Consortium: Consortium for Security and Medical Systems
Department of Electrical and Computer Engineering
College of Engineering and Applied Sciences, SUNY Stony Brook**

DARE Engineering Sensor Consortium E-Team Project Competition

in conjunction with Stony Brook DARE Competition

Monday, May 23, 2005, 2:00 PM

Place: Wang Center, Rm. 301

Sensor Consortium Competing Projects:

RFID Sensor Networks

Advisors: Profs. Petar Djuric and Mónica Bugallo.

ANGEL: embedded platform for improving on-campus security

Advisor: Prof. Alex Doboli

Wireless Biopotential Recording for the Treatment of Sleep Apnea Disorders

Advisor: Prof. Ridha Kamoua

Wireless Health Monitoring System

Advisors: Prof. Wendy Tang and Dr. Michael Gouzman

DARE (Dare to Attempt/Risk Entrepreneurship) Competing Start-ups:

Intigma Inc.: IT solutions for healthcare

Fleaboard: free listing/auctioning Website

Sensor Consortium Project Competition: Four of Long Island's campuses, Stony Brook University, Hofstra University, Farmingdale State University, and Suffolk Community College, join forces to educate our students on technology entrepreneurship. Each team is composed of undergraduate students from the four education partners..

DARE: Stony Brook University's first annual student competition for new technology ventures.

Come join us for this exciting event!

Refreshments will be available.
